

PRIME RETAIL SPACE

SUITE VS-310

This prime 5,120 square foot end cap retail space has great visibility from Highway 20. The space is newly constructed and practically move-in ready for a retailer. The space features beautiful finishes including concrete stained floors with a stainless steel circle accent at the customer service area, pendant sconces, goose neck lighting, brick wall accents, water feature, an ADA compliant designer bathroom, a +/- 13 foot open structure ceiling, 2-200 amp electrical panels, & gas service.
